

INDEX

Note.—Because of the frequency with which lengthy names of administrative agencies and programs appear in the index, the following system of abbreviations is used: AB, Aid to the Blind; ADC, Aid to Dependent Children; app., appendix; CCC, Civilian Conservation Corps; CWA, Civil Works Administration; ES, Employment Service; FERA, Federal Emergency Relief Administration; FSA, Farm Security Administration; GR, General Relief; NYA, National Youth Administration; OAA, Old-Age Assistance; OASI, Old-Age and Survivors Insurance; PWA, Public Works Administration; RR, Railroad Retirement; RUI, Railroad Unemployment Insurance; SC, Surplus Commodities Program; SMA, Surplus Marketing Administration; SPA, Special Public Assistances; UC, Unemployment Compensation; WC, Workmen's Compensation; WPA, Work Projects Administration.

A

- AB. *See* Aid to the Blind
Abbott, Edith, 25n, 26n, 27n
Access to public aid. *See* Availability of public aid
ADC. *See* Aid to Dependent Children
Adequacy of public-aid payments:
 differences between regions and programs, 196-202
 effect of Federal financing, 305-307
 local variations in financial arrangements, 170-172, 317-320
 measured by emergency budget, 164-196
 See also under individual programs
Administered investments, 324
Administration, 365-442
 advantages of local participation, 497
 advantages of State participation, 497
 general problems, 14
 evolution, 477-486
 of guidance, 379-380
 lay participation, 439-440
 multiple government administration, 480-482
 necessity for Federal participation, 497
 recommendations, 497-501, 528-544, 545, 549
 See also Federal administration; Local administration;
 State administration; and under individual programs
Administrative achievements, 365-367
Administrative coordination, 369-393, 413-414, 479
Administrative costs:
 limitations, 65, 93, 426, 486
 recommendations, 526, 549
Administrative grants, flexibility recommended, 540
Administrative organization:
 differences at Federal and State levels, 482-483
 Federal, 369-381
 local, 383-389
 problems due to, 401-413
 State, 331-389
 See also Integration
Administrative personnel, 415-426
 effects of high caseloads, 425-426
 influence of FERA, 416
 quality, 485-486
 recommendations, 500, 539, 546
 See also Federal administration; Local administration;
 Merit systems; State administration; and under individual programs
Administrative policy:
 and GR payments, 170-172
 and WPA employment, 236, 237-238
